### **PLANNING COMMISSION MEETING STAFF REPORT**

**Date: March 2, 2010  
Agenda Item: Public Hearing**

**Subject:** Planning Department Update

**Prepared by:** Tim Raney, Community Development Director

---

#### **Recommendation**

Staff recommends that the Planning Commission receive an update regarding current Planning Department activities.

#### **Discussion**

The City of Wheatland Community Development Director, Tim Raney, will provide to the Planning Commission a presentation regarding the Planning Department's current workload. The presentation is intended to keep the Commission informed of current development proposals and other noteworthy planning and development activities, some of which may be heard by the Commission in the near future. The current project status report will be distributed for review by the Commission.

#### **Recommendation**

Based on the information contained in the staff report, staff recommends that the Planning Commission take the following actions:

- Receive the update regarding current Planning Department activities and associated project status report.
